PROGRAM LICENSE AGREEMENT

This license agreement pertains to the use of software provided by International Intellectual Group, Inc., a New York Corporation referred to here as "IIG". You should carefully read the following before use. Using this program indicates your acceptance of these terms and conditions.

IIG provides programs and licenses their use directly or through authorized dealers. You assume responsibility for the selection of the programs to achieve your intended results, and for the installation, use and results obtained from the programs.

LICENSE

You may:

1. use the programs on any machines in the company and country in which they are licensed to you;
2. copy the programs into any machine readable or printed form for backup or modification purposes in support of your use of the programs on other machines. You must reproduce and include the copyright notice on any such backup copy.

You may not use, copy, modify, or transfer the programs, or any copy, modification or merged portion, in whole or in part, except as expressly provided for in this license. If you otherwise use or transfer possession of any copy, modification or merged portion of the programs to another party, your license is automatically terminated.

TERM

The license is effective until terminated. You may terminate it at any time by destroying the programs together with all copies, modifications and merged portions in any form. It will also terminate upon conditions set forth elsewhere in this Agreement or if you fail to comply with any term or condition of this Agreement.

LIMITED WARRANTY

The programs are provided "as is" without warranty of any kind, either express or implied, including, but not limited to the implied warranties of merchantability and fitness for a particular purpose.

Some states and countries do not allow the exclusion of implied warranties, so the above exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights that vary by state or country.

IIG does not warrant that the functions contained in the programs will meet your requirements or that the operation of the programs will be uninterrupted or error free.

However, IIG warrants the hardware key(s) with which the programs are operated, to be free from defects in materials and workmanship under normal use for a period of one year from the date of delivery to you as evidenced by a copy of your receipt.

LIMITATIONS OF REMEDIES

IIG's entire liability and your exclusive remedy shall be the replacement of any hardware key(s) not meeting IIG's "Limited Warranty" and which is returned to IIG or an authorized IIG dealer.

In no event will IIG be liable to you for any damages, including any lost profits, lost savings or other incidental or consequential damages arising out of the use or inability to use such programs even if IIG or an authorized IIG dealer has been advised of the possibility of such damages, or for any claim by any other party.

Some states or countries do not allow the limitation or exclusion of liability for incidental or consequential damages so the above limitation or exclusion may not apply to you.
